

My School's Cool 2010 - 2011 School Representative Packet

Program Overview

My School's Cool (MSC) is a community driven program committed to building relationships with local schools by giving cash to schools and enticing customers to shop at *Valley Hills Mall*.

Schools will compete with each other for the highest accumulation of points and earn cash rewards.

Each participating school will sign a contract committing to participating in the program. The contract will promote honesty and accountability on the participating schools' part.

How to Earn Points - It's easy as "A, B, C"

There is one way for school to earn points: shopping at the participating mall!

Mall Sales Receipts

Each dollar spent at the mall earns the participating school one point. Receipts will be rounded to the next whole dollar at .51 cents. There will be opportunities to earn double points which will include double point retailers and double point shopping days.

Tabulating School Points

Each point earned by a participating school will be divided by student enrollment in order to allow all schools, regardless of their enrollment, to compete fairly. The winners are determined based on points per student. It is imperative the exact enrollment for all participating schools is confirmed prior to the program launch date.

Extra Credit Opportunities

Schools can earn additional points through a variety of options listed below in detail. A complete summary on how to earn points is charted at the end of this section.

School Updates

Valley Hills Mall sends out a monthly MSC update e-mail to each school coordinator throughout the program. This will contain information such as bonus point opportunities, sponsor spotlights, and information for parents, students, teachers, etc. If your school attaches a copy of the bonus point's portion of the email or copies that side into the school newsletter, 100 MSC points will be awarded. If attached to a school

newsletter, there must be a reference to the attachment in the newsletter. The MSC coordinator is responsible for turning in one copy of each newsletter that contains all of this information to the mall management office to receive points.

Valley Hills Mall's Email Database Registration

Valley Hills Mall has an e-mail database in which we send 1 email per month to each member regarding special sales, events, etc. By becoming a member of the database, each member is automatically registered to win a \$5,000 Valley Hills Mall Gift Card each quarter. Stop by the mall management office for Registration forms and feel free to make as many copies as you need to share with friends, parents, teachers, etc. You can earn 100 MSC points per registration form that is turned in. In order to earn the points, the registration form must be **completely** filled out and contain a valid email address. One registration per person!

Valley Hills Mall on Facebook & Twitter

Keep up with sales, events and all that's happening at Valley Hills Mall! Earn 100 points for each person that "Likes" Valley Hills Mall on Facebook or "Follows" Valley Hills Mall on Twitter. Print out a screen shot of your page showing that you "Like/ Follow" Valley Hills Mall and turn it in to your school coordinator or the lockers located in the barricade on the upper level at Bath & Body.

MSC Schools Bulletin Boards or Displays

- Monthly updates will be posted on the mall's website at www.valleyhillsmall.com.

School Accountability

Coordinator

Each school will be required to designate a school coordinator by July 16th, 2010 which the mall coordinator will work with on a monthly basis to collect points for your school throughout the entire length of the program. It is a requirement that the coordinator has an email address and be readily available to speak with the mall coordinator. The school coordinator will perform the following tasks:

- Tracking of school points
- Obtaining receipts on a monthly basis from the mall
- Providing monthly updates to the program coordinator at the mall
- Providing processed receipts monthly to the mall coordinator for auditing purposes
- Providing monthly updates to the school on their point standing

- Providing school enrollment
- Distributing information to school officials, parents and students pertaining to the program i.e., extra credit opportunities, monthly newsletters, school bulletin board updates
- Coordinating any required school research

Promoting Honesty and Integrity

Because My School's Cool is based on a system where parents, teachers, students and shoppers will earn points for their school, it is imperative that each school convey the importance of honesty. There will be opportunities throughout this program where individuals could earn points in a dishonest manner by turning in duplicate receipts which we are unable to track. We are counting on the school coordinator, principal and teachers to set an example for students and encourage everyone to simply be honest.
